TERMINATION OF NEF SCHOLARSHIP

Scholarships shall be terminated in the following circumstances, whichever comes first:

1. If the recipient ceases to meet the eligibility requirements stated in this agreement.
2. At the end of the period for which it is granted (consecutive three years).
3. When the recipient graduates.
4. If the recipient does not maintain satisfactory academic progress.
5. If the COMMITTEE determines that the recipient is responsible for serious misconduct, including, but not limited to, the provision of false or misleading information.
6. If the recipient does not resume study at the end of a period of sick leave or formal arrangements have not been made to extend the period of sick leave.
7. Upon the death, incapacity, resignation, or withdrawal of the recipient from the course.
